## WHERE TO STAY ON HERM

Choose from the stylish White House Hotel\*\*\*\*, quaint holiday cottages or camping under the stars. With its emphasis on peace and comfort, The White House Hotel is the perfect place to unwind in style. There are no televisions, no clocks on the walls and no telephones in the bedrooms so you can set your own pace and escape from the 21st century for a while, all in four star, award winning comfort.

One of the most authentic ways to experience life on Herm is to live in one of our fully equipped holiday cottages offering all of the comforts of home in a wonderful setting. Alternatively, sleeping under canvas is a wonderful way to enjoy the tranquillity and unspoilt beauty of Herm. Seagull Campsite sits on the top of the island with modern facilities and a dedicated warden.

## EATING & DRINKING

For such a small island you are spoilt for choice with a wide range of eateries on offer. The White House Hotel, The Ship Inn Brasserie, Mermaid Tavern Restaurant, Mermaid Tavern and the beach cafés all serve a fabulous range of food from à la carte feasts to the humble bacon sarnie. For large parties we can cater for up to 100 people in the Mermaid Tavern top deck area or up to 150 people in the hotel marquee.

Choose from a selection of hand picked wines when dining at The White House Hotel or try our own Herm Island Gold ale in the Mermaid after a long day on the beach. One thing you can always be assured of is a warm welcome and great hospitality.

Enjoy an evening in Herm, with evening trips from Guernsey, departing at 7.00pm and returning at 10.45pm. See overleaf for guaranteed sailings\* and further details on how to book.
